Ref.G.O.Rs.1100 dated 1.11.51 of the Rural Welfare Department.

The Draft Notification approved in the G.O.Cited was published at page 1623 of part 1 of F.S.G. Gazette dated 13.11.51 Notices under section 5(a) were duly served and enquiry was held by the D.W.O. Bellary on 31.1.52.

None of the pattadars filed any objection except Sri Badmi Lakshmiathappa. The following are the objections raised by the latter.

1. that the land is being used as rick yards for ages and the cost of acquisition is prohibitive as the land costs more than Rs.10,000/- per acre;

2. that there is sufficient private space available away from the site selected for acquisition;

3. that the hayricks cannot be removed from this land as there is constant danger of arson and fire to the hay ricks if they are stocked in any other place and it will be detrimental to the cattle.

The objections are discussed below:-

1. The hay ricks may be shifted to some other place. The cost of the land is not prohibitive; as it may be valued at Rs.1000/-

per acre. There is therefore no weight in this objection.

2. The site now selected is adjacent to the Harijanchari and it has been ~~quite suitable~~ approved by the District Health Officer as quite suitable for habitation. Further, no site is available for house sites within the village site.

3. The danger is more when haystacks are near residential houses than when they are at a distance.

Thus none of the objections has any substance. The objections may therefore be overruled and the draft declaration under sec. 6 submitted herewith in duplicate may be approved and published.
